      }
    ]
  }
}

```

11. Other Request Payload Options

- a. SSR request for a specific offer and specific traveler

Use applies to Offer and traveler Identifier in the request to have SSR applied to a specific offer and specific traveler in the PNR.

```
{
  "SpecialServiceListRequest": {
    "SpecialServiceID": [
      {
        "@type": "SpecialServiceDPNA",
        "id": "specialService_1",
        "Identifier": {
          "authority": "Travelport",
          "value": "A0656EFF-FAF4-456F-B061-0161008D7C4E"
        },
        "AppliesTo": {
          "@type": "AppliesToOffer",
          "OfferIdentifier": [
            {
              "id": "offer_1",
              "offerRef": "offer_1",
              "Identifier": {
                "authority": "Travelport",
                "value": "1c375f0a-31c7-4728-951a-799fdfd55b17"
              }
            }
          ]
        },
        "TravelerIdentifier": {
          "id": "trav_1",
          "TravelerRef": "trav_1",
          "Identifier": {
            "authority": "Travelport",
            "value": "678f1e22-5c34-460a-8291-a006335470da"
          }
        },
        "Description": "Traveler has Alzheimers"
      }
    ]
  }
}
```

- b. SSR request for a specific offer and all travelers

Send Offer in the request to have SSR applied to a specific offer in the PNR.

```
{
  "SpecialServiceListRequest": {
    "SpecialServiceID": [
      {
        "@type": "SpecialServiceWheelchairAirlineSupplied",
        "cannotAscendStairsInd": true,
        "id": "specialService_1",

```

```

    "Identifier": {
      "authority": "Travelport",
      "value": "A0656EFF-FAF4-456F-B061-0161008D7C4E"
    },
    "AppliesTo": {
      "@type": "AppliesToOffer",
      "OfferIdentifier": [
        {
          "id": "offer_1",
          "offerRef": "offer_1",
          "Identifier": {
            "authority": "Travelport",
            "value": "6f7ec928-5be6-4ace-bbda-6927d16ede6a"
          }
        }
      ]
    }
  ]
}

```

c. SSR request for a traveler and all air segments

Send traveler identifier in the request to have the SSR applied to a specific traveler.

```

{
  "SpecialServiceListRequest": {
    "SpecialServiceID": [
      {
        "@type": "SpecialServiceWheelchairTravelerSupplied",
        "id": "specialService_1",
        "Identifier": {
          "authority": "Travelport",
          "value": "A0656EFF-FAF4-456F-B061-0161008D7C4E"
        },
        "TravelerIdentifier": {
          "id": "trav_1",
          "TravelerRef": "trav_1",
          "Identifier": {
            "authority": "Travelport",
            "value": "5250500b-51ab-4f79-82bc-494753114b74"
          }
        },
        "BatteryTypeEnum": "NoBatteryManualPower",
      }
    ]
  }
}

```

d. SSR request for all segments and all travelers

Disability SSR request applies to Offer and traveler identifier, for all traveler identifiers and all air segments in the PNR.

```

{

```

```
"SpecialServiceListRequest": {
  "SpecialServiceID": [
    {
      "@type": "SpecialServiceBlind",
      "blindAssistanceRequestedInd": true,
      "id": "specialService_1",
      "Identifier": {
        "authority": "Travelport",
        "value": "A0656EFF-FAF4-456F-B061-0161008D7C4E"
      }
    }
  ]
}
```
